

„We are on the way to a green library system!“

What is a Green Library?

Library of things
(e.g. sports equipment)

Energy
and resource
management

Waste separation
for recycling

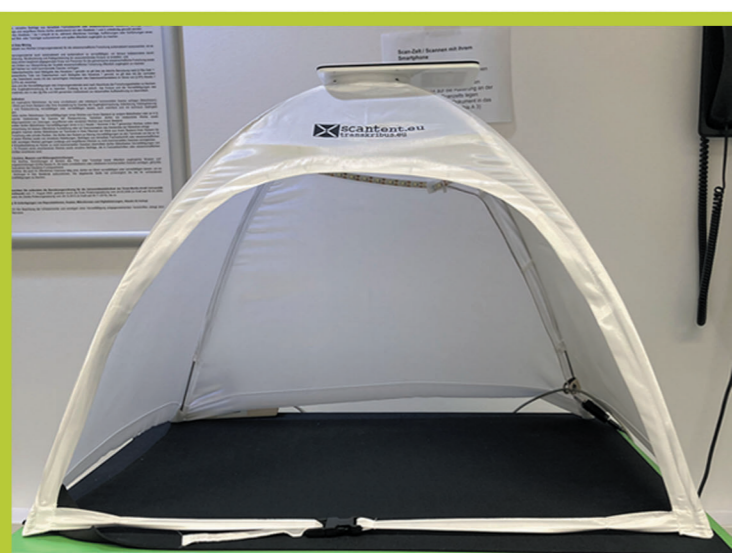

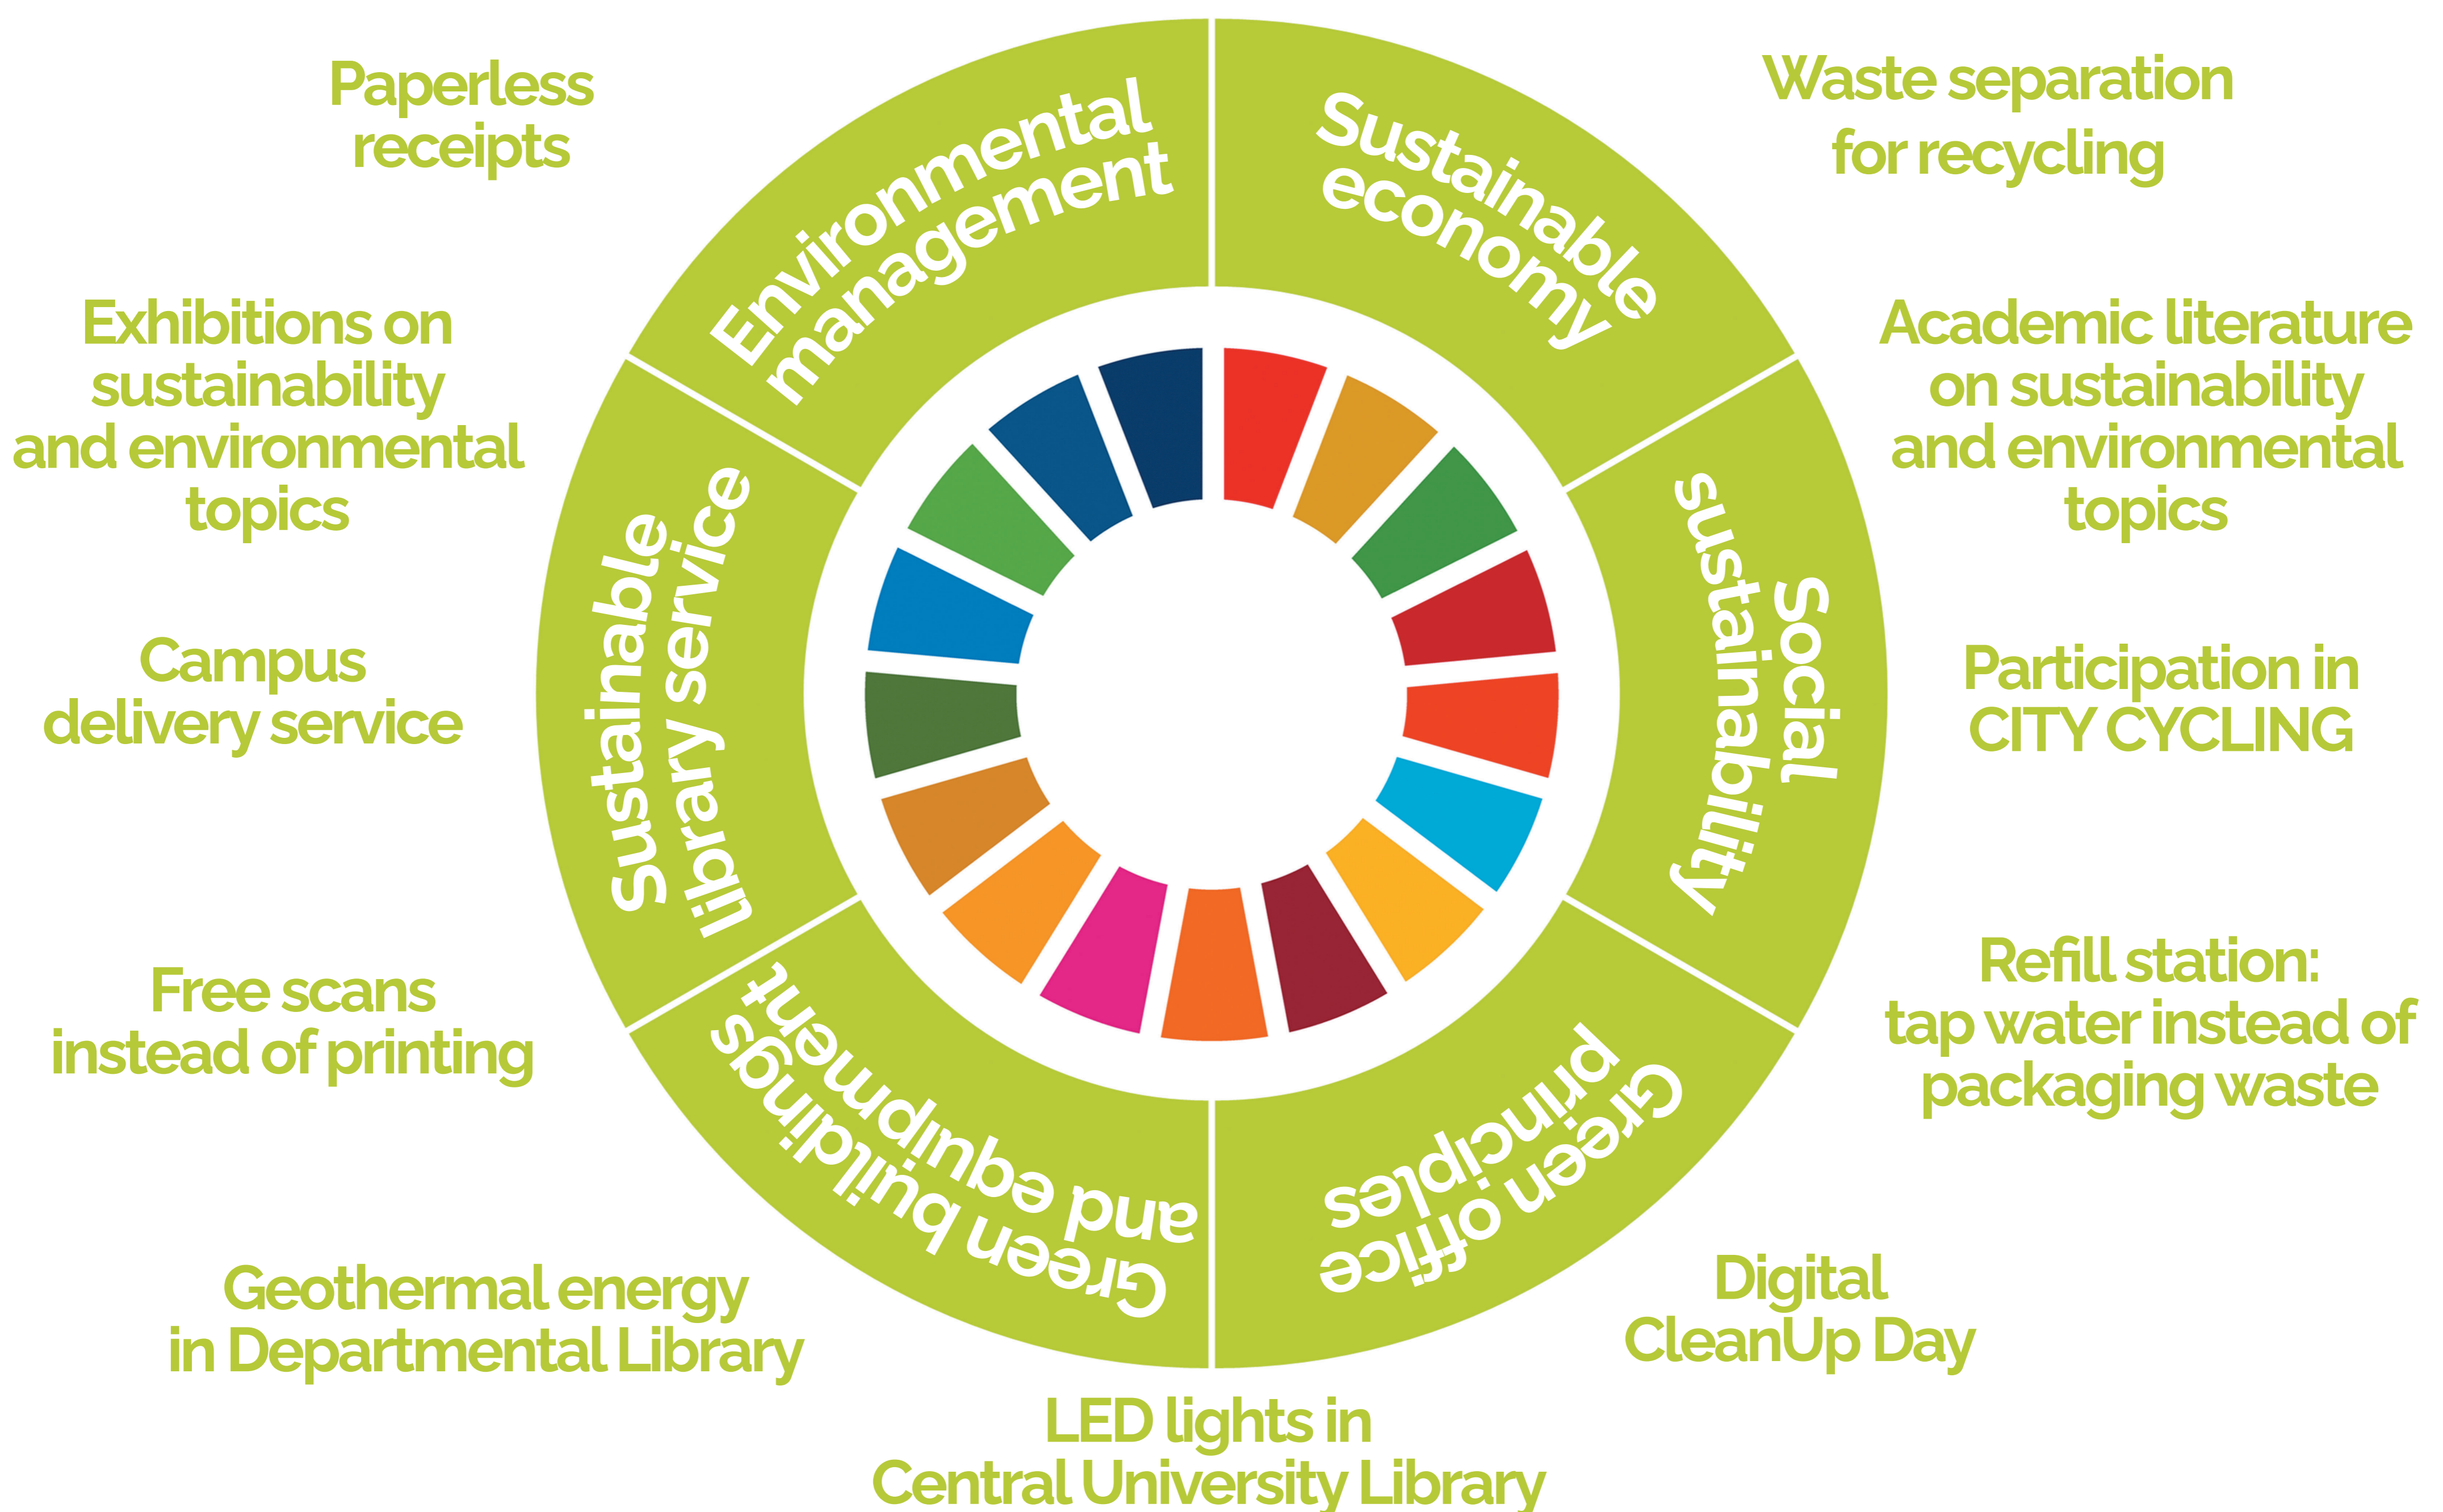

Academic literature
on sustainability
and environmental
topics

Participation in
CITY CYCLING

Refill station:
tap water instead of
packaging waste

Digital
CleanUp Day

LED lights in
Central University Library

Scantents for free scans

Refill stations for water

CITY CYCLING

Cycling for a better climate

A CAMPAIGN BY

CLIMATE ALLIANCE

Participation in
CITY CYCLING

LED lights in Central
University Library
